

I-PWG Education & Communication Task Force Survey to assist with the development of additional PGx-related educational materials and seeking a clearer understanding of website usage in general across the membership.

1. Please provide your unique I-PWG Survey Code provided to you by Julian Arbuckle:

2. How long have you been a member of the I-PWG?

3. How often do you visit the Members Section of the I-PWG website?

4. In your role do you provide guidance, advice, and/or support to enable the inclusion of PGx in your company's clinical trials?

Yes

No

5. If you answered "Yes" to Q3 how does your role support your company's PGx strategy? Please describe:

Questions about Education Materials on the Members Section of the website:

6. Are you aware that the I-PWG has created PGx-focused education materials for use with clinical trial patients?

7. If you answered "Yes" to Q6 have you used any of the materials that are currently available on the I-PWG website and if so which ones? Please describe:

8. Are you aware of any of your colleagues using the I-PWG educational materials for use in clinical trials or any other PGx education-related activity? Please describe:

9. Were you able to navigate the Members Section website with ease to find appropriate materials?

10. Would you like to see other materials developed by the I-PWG for use with clinical trial patients or other target audiences?

11. If you answered "Yes" to Q9 what materials would you like to see prepared for use with clinical trial patients or other target audiences? Please describe:

12. If you answered "No" to Q9 why would you not like any other education materials to be developed by the I-PWG? Please describe:

13. Aside from education materials for use with clinical trial patients do you think that there are other materials that the I-PWG should be developing as part of a broader education effort by the I-PWG? Please describe:

General questions about the website:

14. What area of the I-PWG website do you visit most often? Please describe:

15. Do you currently use the Publication link?

16. Would it be useful to add relevant PDFs on the site?

17. Would you like to see articles of interest within the field of PGx posted on the I-PWG website?

18. Would you be willing to submit articles of interest for posting on the I-PWG website?

19. Do you currently use the Membership Contact List to find members?

20. Would you be interested in better understanding the global reach of I-PWG?

21. Do you currently use the Job Postings link to post or find jobs?

22. Do you have any suggestions or recommendations that you feel would improve the website? Please describe:
